Dear Mr. Weisberg:

Thank you very, very much for your amusing reply and especially for WHITEWASH II, which I immediately started to read, but the New Year's holiday interrupted.

I recommended the 2 books to my son, who "absconded" with them yesterday when he left with his family for home. Accordingly I am pleased to enclose $15.00 for a complete set.

Again, I repeat, I enjoyed the spirit of your letter and hope some day we can meet personally.

Best wishes.

Sincerely,

Ernest N. May
